

Bluebird House

Workshop

Saturday, March 20

10:30am - noon

Turkey Run S.P. Nature Center

Join Art Jeffries from the National Bluebird Society to discover the beauty and challenges of the eastern bluebird. Art's free slide program takes you through all aspects of inviting bluebirds to your yard, as well as protecting them once they're established.

Then if you want to build a bluebird house, pay only \$12 per kit, which includes predrilled wood, help building the house, tips on where and when to put the house up, and step-by-step maintenance instructions.
